Whether you are seeking a keynote speaker to kick-off or close a conference, a story-teller for an intimate luncheon or staff retreat, or an extraordinary facilitator, Sue's inspirational and motivational presentations will have the audience at turns laughing out loud, dabbing their eyes with tissues and seeing themselves in her stories and the stories she draws out of others. Most importantly, Sue's presentations motivate people to change!

## *“Learning from a Master Story-teller.”*

“When an author/speaker walks the walk and talks the talk, has experienced the joys of life and the pain of death and goes forward to share those life experiences with heart, soul and a brilliant mind, you know you are learning from a master. That has been my experience with all that Sue shares.” Bette Hoxie, Maine

## *“Inspiring Author”*

"Sue's writing that comes from the soul shines with beautiful pictures, impacting insights and impressive application of God's Word. One is left inspired, encouraged and pondering on the power of God's Word. His message clear and relevant in moments of joy, heartache and struggles sings through her writing." Janet Eckles, Author, Speaker
